Dear parents,

We are appealing for school uniform items for Foundation Stage.

We regularly need uniform items for a change of clothing in the event of little "accidents" in P.1 & P.2.

If you have school uniform items which you no longer need, we are requesting that you donate them to the school. We will keep them as part of uniform bank which we will use for fresh changes for the children in the event of accident.

Specifically, we need skirts, trousers, and socks ranging from Age 4 -6.

If you have any spare items to donate, please leave them with your child's class teacher.
