### **Confirmation: Appeal for Refreshment donations**

Dear parents/ guardians,

We are delighted to once again be able to celebrate the sacrament of Confirmation in the church as a whole school community, and we are very much looking forward to next Thursday.

As was usually the case, pre-Covid, we will be inviting P7 parents, family members, sponsors and pupils for tea, coffee and refreshments after the Mass in the parish hall, where a professional photographer will also be located for anyone wishing to avail of his services.

At this time, we would like to appeal to parents/ guardians to donate buns/ biscuits etc. for what is always an enjoyable gathering. We do the same when it comes to First Holy Communion to add to the sense of occasion for both very important moments in our children's lives.

Please leave any donations in the office from Monday morning (27<sup>th</sup> February) through to Thursday morning (2<sup>nd</sup> March) of next week.

We thank you for your continued support.

Kind regards,

C Donnelly  
Principal
