Dear parents,

The **SEN Specialist Setting Support Team** would like to offer sessions to parents of children in **Specialist provisions**. These sessions will be informal and cover different topics ranging from Early Curriculum in the Home to Managing Emotions.

The first session will be taking place on **Monday 27th March at 9.30am** in **Holy Trinity Primary School**.

This session will be aimed at getting to know parents and discussing themes for future sessions.

The themes moving forward will be influenced by feedback from parents to ensure that you are able to access relevant information and support.

We would like to reiterate that these sessions are specifically for the parents/carers of pupils who are in specialist provisions attached to mainstream schools ONLY.

Please inform your child's teacher ASAP via SeeSaw if you are planning to attend so that we can inform the venue of numbers in advance to allow for planning and refreshments.

Thank you for your continuing support,

Catherine Maguire

Vice Principal/SENCO
