

## **Parking on Finaghy Road North**

Parents and guardians are asked to be mindful of our neighbours when dropping off and collecting children at the school. Unfortunately, we have been made aware of a number of incidents in recent weeks in which residents could not access their driveways due to cars being parked across entrances along Finaghy Road North and in Brenda Park.

Incidents of double parking on the always busy Finaghy Road North has also led to the PSNI initiating patrols which could lead to fines.

The church car park is open in the afternoons and parents/ guardians are asked to avail of this to avoid the congestion if and when possible.
