

## Monday 19<sup>th</sup> June: The 2023 SJB Mile

For the third successive year, we are holding an ***SJB Mile Race*** for our P6 and P7 children next week on Monday afternoon. All children from the four classes are welcome to participate in boys' and girls' races which will take place at Malone Integrated College next Monday afternoon. The top three runners in each race will receive a prize.

Non-participating children from the four P6/P7 classes will walk to Malone Integrated with their competing class colleagues to cheer them on during the races. Classes should return back to the school for 3pm. On Monday, children interested in running the SJB Mile are asked to come to school in their PE uniforms. Please ensure they bring in a bottle of water on the day and apply suncream in the event of the weather forecast indicating that it is to be a hot and sunny day.

Roger Bannister crosses the finish line during his famous sub 4-minute race.
